“ We loved Billie so much. She was a dear friend of ours and she was very close to our mother Evelyn Holt. The last time I talked to her a couple of weeks ago she said she was going to see JESUS first and then look up Evelyn. We will miss her sweet smile and lovely personality. She had no idea how much she was loved by us. We both wish we could be there today but Bea is down in her back and we cannot attend. But, we know that she is with JESUS and we are so very happy for her for that. Billie was one of the most remarkable, wonderful christian women that we ever met. She will be missed. But, we will see her in heaven someday. Oh, what a day that will be.

“ Dear Beverly, Tony and Family,

I always appreciated Aunt Billie's gentle warmth and cheerful disposition along with her acts of kindness to Momma, Daddy, Chuck and me. She was a truly considerate person who thought of others and is loved by many. She will be sorely missed now that she has returned to dwell with her heavenly Father in eternity.
