“ *My first day at the bank, Bob came up and introduced himself and asked me if I could make a peach cobbler and fried egg sandwiches. I said yes and he said I could stay. He was the sweetest guy, would do anything to help anyone...*

“ *My teen years would have been so much harder without you there. I will always say, no matter what, that had a great step-dad. I never told you, but after my parent's break up, I was worried my mother would go back to my father, and had you not been there, it could have happened. You made me feel safe. I'm so thankful for you. All of Mom's grandchildren think of you as a grandfather because you WERE their grandfather. It's kinda spreading through the lot of them, "Anyone can have a grandfather; but not everyone gets a "Bob". They never even KNEW my father. They will never FORGET you.*

“ *When I started working for the bank Bob was quick to introduce himself with a big smile. He told me his name was Bob and I could spell that B O B or I could spell it backwards and it would be B O B. He chuckled and walked off! I loved it when I walked into the bank early of a morning to smell something wonderful coming down the stairs from the kitchen and that smell was Bob's ever famous sausage balls. He was such a nice guy to work with! Glad I have some good memories of him. Sarah (Chamberlain) Spalding*

“ *Bryan & family...we are sorry for your loss.
May your memories & God's love bring you
peace, comfort & strength at this difficult time.
Death takes the body. God takes the soul.
Our mind holds the memories. Our heart
keeps the love. Our faith lets us know we will meet again.*
