“ 2 of Billys favorite hang outs in time gone past was the old laundry mat and the pool hall. He would sit in there and visit with everyone that came in. So for all of us that knew him, I can say he will be missed by many. For all the family, we pray that you will find comfort in the Lord.

“ Billy was a sweet, kind man. I remember when I was little, sitting with him at Jiffy Stop as he drank can after can of Mellow Yellow. We always enjoyed being able to spend Christmas with him, his face would light up like a child when he opened his presents. It was priceless. Billy brought a lot of goodness to my heart and he will be missed. Know he is in a better place and we will one day walk with him again. God bless.

“ *Anyone who ever met Billy knew that he was a sweet, kind hearted soul. He was more like family than just a friend, he was always there for our family to help with anything we needed. We always enjoyed our time with him at holiday dinners, birthdays or going to the lake to fish together listening to him tell my Dad about the "really big fish" he almost caught. Billy was a good person with a heart of gold and will be missed by many..*
