“ During our high school years and after I married and returned to Hawkins Bob was such a good friend. He and my husband Pat Bailey enjoyed swapping stories since Pat was also from Hawkins. I am very sorry about his passing and hope for you the best.

“ Bob was a special classmate of the class of 1962. We had a close group and I liked Bob. He was in lots of my classes and it is sad to lose a fellow classmate.
I think that because he and Joe lived in the Pine Mills area that we rode the same school bus for a good number of years. He will be missed by everyone.

“ Bob and I (Joe as well) played football together there in Hawkins. I've been out of the country for many years and haven't seen Bob in a great many years. I'm very sorry for that and for the grief his family and friends are going through.

“ I was a very close friend to Mary Jane. We played volleyball together and went home with each other a lot. My Dad, Frank Williams drove the school bus, so a lot of kids remembered him. Our Mom and Dad have gone to their heavenly home. Hold on to the good times and the happy memories. May God wrap his arms around you and hold you.

“ To Rhonda and family, our love and prayers to you from me and my mom Bobbie Porter (Bob Frank's 1st cousin). I have so many fond memories growing up visiting the Mize family and playing with Bob Frank, Joe, and Kay Beth. Then as an adult running into Joe and Bob Frank in Lindale, Texas where we all lived for a while. I am deeply saddened by his passing but reassured that we will all meet again someday. May you feel the presence and comfort of our Lord during this time. Jann

“ Oh my Bob...I don't have the words Baby. I cherish every moment, every hurdle and victory we shared. And even now I treasure and am holding dear the seconds slowly ticking by.

Bob our beloveds have gathered around us like you could never ever imagine. Precious precious ones woven tightly as God's angels.

The only struggle in our marriage was that beautiful pedestal you meticulously maintained and put me on~~our problem was I wasn't on it....you were. You just never could understand YOU were the deserving one.

Like Steve said "I'll see you later." I love you Baby, everybody is missing 'the big man.'
