“ I met Bobby when he worked for my Dad, Charles Quick, in the Display Department at Pfiefer-Blass and Dillard's in Little Rock in the late 60's and 70's. I worked during the Xmas season hanging decorations in the stores. Bobby was always fun and nice to be around.

I send my sincere condolences to his family. I was devastated when I recently learned of his passing.

“ Nancy, Jennifer, David and Chris,

We are shocked and saddened by your loss. We've been thinking of you all, especially Nancy during this time. We hope for her quick recovery and are wishing you all healing and strength.

Bobby was the core of our extended family. Family meant the world to him. I spent great deal of my early childhood around his family. He and Nancy organized numerous family reunions, get togethers, and camping trips over the years. They put a lot of work into those events by making sure everyone was entertained, and I'm grateful for their efforts. I have many happy childhood memories from those gatherings as I'm sure everyone who attended do as well. I am also very thankful that my family was able to camp and visit with Bobby and Nancy over the last two summers which made for more great memories. We hope to keep the tradition alive by coming down every summer as long as we're able.

He was loved and will be greatly missed!

We love you all!

“ Uncle Bobby was always a kind, quiet person. My fondest memory was going to the family reunion this past June 2022. It was great getting to know him and Aunt Nancy on a different level, they told us wonderful stories, we laughed so much. Praying for the family as they grieve his death and prayers for Nancy as her body heals and she can go home with her kids.

“ We knew Bob, many years. He was our paper salesman through the years. As paper companies consolidated he would still be our Salesman. He was not only our salesman he was our friend! We will miss him.
