*Loved seeing all these photos of years past. I feel like I know my Uncle Bob better now. As Christmas 2018 is 4 days away it is common to reflect. It is my wish that we had seen the Farley family more growing up but geographical divides prevented it. I am grateful that we reunited in September 2018. It did my heart and would well to see everyone. We must continue to work at these relationships so we can understand & cherish our similarities. May you all have a blessed Christmas and Healthy New Year.  
Love, Stacey I*

“ *We are grateful to God for the life and service to Bob and Ethelyn. You have touched so many lives. By developing a business you have blessed those who worked with you and their families. Your children and grand-children will stand and thank God for your example and life. As a class mate of Ethelyn whose family were friends, we have had opportunity over the years to meet. We appreciate your consistent walk with the Lord in good times and difficult times. We pray that the God of all comfort will ease the pain as He reminds you of the blessings. Remember well, and laugh about those unplanned events that you shared as a family. Stewart and "c.L." Pickle*

“ *Ethelyn and family I certainly enjoyed the time that I worked with Bob. He was a joy filled person that always demonstrated respect for others. One of the nicest guys in the business of the industrial cleaning. May God rest his soul. He will be missed by so many. God bless you in your time loss.*

“ I recall my Uncle Bob always had a smile on his face and a friendly, welcoming laugh.  
He was sincerely interested in others and greeted my family warmly. I regret to say that I had not had the pleasure of being in his company for some time. I am certain that my mother, Iris Dean will be there with a warm big sisterly hug for her little brother. She always spoke fondly of him.  
May God embrace you Ethelyn and your children and grandchildren during this  
Heart wrenching time.
