“ *Dear Family,*

There is much that can be said about an honest man who is good at his work. I didn't know Mr. Hood closely but my experiences with him was good.

I pray that Jesus will give you peace in this difficult time of loss.

“ *I am so saddened by Bobby's passing. I am grateful to have known and loved him. He always had a smile and kind word to say and always asked about Bob and the girls. He was so funny when he used to say he would work on the car ONLY if Bob had kept the hood down. He had such a great sense of humor and his sisters Debbie, Holly, and Sandye adored him. He is in heaven now with Grandma, Granddad, and Marche laughing with us at those memories we have of him. It shows us once more that our Heavenly Father takes the very best from this world to the next.*

“ Bobby,

I wasted so many chance to come see you. I told the kids a million times I would bring them to see you and now it is too late. I love you and hope you are resting peacefully. Please know we all loved you and will carry you in our hearts forever.

“ *While I did not get a chance to stay in touch with Bobby after graduation, we shared part of our childhood as neighbors on the same street. Bobby always added to the strength and brightness of the human spirit. My condolences to his family and friends as I know he will be greatly missed.*

“ So much time has passed since I saw Bobby, must've been near 42 years! Don't be sad for him, while here he was a good father and friend. Now he is with the Lord, preparing a place for you and I, for when our time comes to rejoin with him, in Heaven!

“ We are so sad Bobby is gone. We all have our guilt of not reconnecting..visiting. He was one of a kind. Tommy says he is the first true hot rod mechanic he ever met. He will live on in our mind and hearts till we all meet again in heaven. Our prayers are with you Mona, Karen, Bill and EACH family member. Love and peace to you all.

“ So sorry to hear about Bobby. We all kind of grew up together on the east side of Springdale and went to school together. Though life has taken everyone in different paths, we all consider each other family. God bless you all and will remember the family in my prayers.

“ *So very sorry for your loss.*

The last time I saw Bobby was in the early 70's but the two things that I will always remember is; his smile, a smile so big that it made his eyes twinkle and his love of cars and motorcycles, one that evidently never left him.

My heart is heavy today and I wish I had taken time to reconnect with him and find out how life had been for him.

Today, I mourn the loss of an old friend and know in my heart that others are rejoicing to be reunited with him at the same time.

I hope that if Karen sees this note that she will want to connect as I loved her dearly as a friend and miss her.
