“ Bobby, I remember your infectious smile and your humorous antidotes as I ate my popcorn and m&m;s on night shift at Simmons. My explanation to you about how I got my veggies and daily allowance of vitamins and nutrients out of that dinner combination always made you laugh and shake your head at me. You had a way of making people laugh and always had such a generous kind hearted soul that would do anything you could to help anyone out. You will truly be missed. Until we meet again....you'll forever be with us in spirit. Your family is in my thoughts and prayers during this difficult time.

“ Kiddo, another piece of my heart is gone,' that' piece belonged to You, one of my 'Nother Sons'--My next to last memory of you was here on the farm after You and Jeremy had built some fence for Bill and I--After talking some that evening and you were leaving, the last thing you told me was : Ma, take care of Pa and He will take care of You--He Has done that from above, along with Sis and Now it will be up to You to Help them--The last time I saw you was at H&R Block and as we always did, we had a Mr. Bill's Hug (lol) I told you 'Love You Kiddo' and you told me "Love you to Ma"--never dreaming I would never see you again in this life--I Hold those words in my mind and Heart--You were One of the Unique, Special Persons in my life--there Are NO words to express what you mean to me and my Family, but You will Live Forever in our hearts--RIP Sweetheart and Know You Are Loved---Ma D.

“ I will never forget your beautiful heart, although we hadn't seen each other since high school, I'll never forget how many times you bought lunch for me and would never allow me to buy yours or pay you back. You always were kidding around and had a smile on your face. I'm so sorry for what happened to you. May those who did this to you receive their karma & may justice be done. Rest in paradise sweet friend. Love & prayers to your family.-- Laura ❤️
