“ Turner Family, Patsy and I send our sincerest condolences during this difficult time. I had the priviledge of working with Bob when I was 16 years old and several times after that. It was always a lot of fun to work with him. I had a great deal of admiration for him because he was always honest and hard working and he knew how to LAUGH! He made the mill a better place to work and he loved his family most of all...an attribute I trully appreciate. May God Bless You!
