“ Cindy, I'm not sure if you remember me, but this is Rebecca (Becky) Ferguson & I used to come to your mom's house all the time and see you and bring my son, Cody, and let the kids play together, those boys were a wild bunch and had a great time, but we lost contact as the years went by. I had to write you and tell you that I am SO very sorry about Bradlee, I cannot imagine what you are going through. He looks like he grew up to be an amazing young man. I will send prayers that God helps your family get through this. I still live in Lowell by the lake.
