“ *Dawna, I remember coming to your house quite often during the summers while we worked together in high school and college. Your mom always made me feel welcome with her generous spirit and warmth. You had a great amount of respect and affection for each other, a relationship that is enviable to many mothers and daughters. I know you will miss her deeply, and I am so sorry for your pain. Soichi and I have you and your family in our prayers and thoughts.*

“ *Brenda will be missed by her family and friends. She leaves a legacy of caring, giving, helping and being a friend to many.*

*She was never one to draw attention to herself or do public speaking, but she chose to minister where God put her. She quietly came along side those hurting, needing encouragement, a listening ear, etc. She quietly helped where she could.*

*She was also quick to join in on a good joke or fun. You rarely saw Brenda when she was not smiling or laughing about something.*

*There is no way the joy the little gifts she gave to people could be expressed. Her many acts of kindness truly expressed who she was and what a generous and caring person she was.*

*She never knew the impact she had on her friends and co-workers.*

*I am so blessed to have had her for a friend.*

*I praise the Lord for allowing her to touch my life.*

*Blessings,  
Barb*

“ I thank God for allowing me to have Brenda as my special, dear friend for many years. She was always there for me. She had a special gift of listening as she did for me more times than I can say. What a great person she was! She was so loved by so many. I will miss her at work and in my everyday life. I want to say a big thankyou to Don, Gary, and Dawna for giving me the gift of Brenda's Dayspring watch. That meant so much to me. I will treasure it always and remember Brenda through it.
