“ *Brice is missed so much. Shane said he always had a smile and his smile would make you laugh. I would always wonder what in the world is he thinking and what is he getting ready to say. Just something about his eyes. You could see the wheels turning.*

*Shane said it best when he said we lost a special man. We know Brice is smiling his biggest grin ever but we should do miss seeing it here on earth. Love all you guys and are praying for you.*
