“ Bruce was my dad for 30 some years. I loved him so very much. I just can't believe he is no longer with us except in our hearts. It is hard to go to Bruce and Mom's home now, because I don't think there was a time in the last 20 years that the first thing I said when I walked in was "Hi Brucie". I miss him so much. He was so good to my mother and I loved him for that and anyone who knew him loved him. I miss his stories of the old times and if you wanted to talk about cars he was the one to go to. You could go to him and tell him what your car was doing and with out looking at it he could tell what it was. I was right there with him when he passed and I would not have been anywhere else. Brucie I love you and will always love you and believe me you are truly missed.
