“ I always enjoyed reading Uncle Bryan's weekly column. Even though we were separated by hundreds of miles geographically, I knew what was on his mind - and often, the same things were on my mind, with the same interpretation! Uncle Bryan was a smart, sharp, funny man with a great heart. I will miss his him. My dearest condolences go out to his family, and especially his wonderful wife, Aunt Bev. I know she was his champion until the very end. I love you all.

“Willie was one of the most intelligent, funniest human beings we have ever had the privilege of knowing. Along with being extremely bright and able to condense situations into understandable language, he had the most remarkable sense of humor. He always had a quick comeback and a humorous take on any situation that was totally appropriate and right on. We met in high school and have shared many happy memories with Willie and Bev. We love them both dearly and will miss our amazing friend for the rest of our lives. It was my privilege to be called "President of the Willie Williams Fan Club" and I am most reluctant to give up that title. It is very meaningful to me. Our love and sympathy to the entire family. We have been blessed being a part of your lives for so many years. May God bless and comfort each of you at this difficult time. Much love and sympathy,
