“ *Love you all, so sorry that you lost the most precious thing that you will ever be blessed with. Really wished that I could have met my special great nephew who was taken from us before he was able to know the whole family and how much love he would have received from all of us, He will be with you all the time and watching over you from the highest point in the sky. Uncle Jim will take very good care of him along with Grandpa Call. I love you all very much and wish that I could be there for you right now.*
