“ Dear Renee and Lisa, I'm sure you have forgotten the Jennings family that lived across the road from your Grandmother, Susie back in 1970 to 1972. But I have always remembered all of you and what great friends you were to my baby girl at that time - Amy Renee'. My memory of your Dad and all of you is when you allow us to go spend a day at Silver Dollar City in Branson. Still have pictures of that trip and pictures of you kids all playing together there on East Garland Street. I am so sorry for the passing of your Dad. I pray God and good memories bring both of you and your families much comfort.

Always, Louise, David, Amy and our son, Steven (he came several years after we moved back to Oklahoma). Do take care.

“ *I feel very blessed to have had a chance to meet Mr. Hill last summer with Leif. Both my visits with Papa Carl were while he was in the hospital. Despite the fact he did not know me from Adam and wasn't feeling his best, he made me feel so welcome. His great personality, positive attitude, and spirit made a huge impression on me. Loved his smile! I can see why Papa Carl was so very loved and will be so dearly missed. I look forward to seeing him again in Heaven someday, because as Christ followers, we all have that hope and blessed assurance.*

“ Known Carl since I was born. I remember him, pop, Mac Gibson and a few other drivers playing cards till early morning. Carl letting me punch him in the arm ( I was 8 years old) and almost broke my hand. He was one of guys I looked up to. I wonder what him and KP (pop) are doing now? 7 card or 5 card draw? Who's in? Great guy. --  
- See ya on the other side, Carl.

“ *Papa Carl was a great, kind, & caring man. He was like a second Dad to me growing up & still to this day was like a Dad to me in a lot of ways. He had such great wit about him. He will forever be in my heart with lots of wonderful memories to cherish. My heart is heavy but at the same time I know he is with Jesus right now and that means more than anything that he has eternal life. All of the family, I love you all and you are my family and I am praying for each one of you. May the Lord comfort you all.*

“ Betty and family: Carl was a true friend to everyone he came into contact with. He always was one of the most caring and generous people I've known. It was a pleasure to be in his company as a teenager or in our adult life. I enjoyed being on the football teams with him, I enjoyed his friendship in school for at least six or seven years, and working with him at Millsap's IGA after we graduated was a blast we've continued teasing each other about for the last 60 plus years. Good memories of him, of you and his family will continue with us. Keith (and Mary Ann) Sutterfield, Edmond, OK
