“ Please accept our condolences during this time. Our thoughts and prayers will be there for you.

We will remember Carl for his always ready smile and humor, even during the challenges of the work day, and.....

I'll always remember the time he was already DONE with a service call by the time we got there at 6:30 AM during a hot spell in August..... Thanks Carl.

“ I learned only Monday of Carl's death. Dee, and family, may I offer you my deepest sympathy.

I have good memories of working together with both of you.

May the good Lord enfold His loving arms around you, and give you comfort and peace.

Remember that as long as you have memories, you have a bit of Carl with you, always.

I value your friendship over the years, and trust that this new chapter in your life will still be filled with good things as you enjoy your children and grandchildren for years to come.

Much love to you!

“ My prayers are with you Dee and Family. Carl impacted my life with his "can do" attitude and his love for his family and for his gardening. He was a true professional in his work and I valued his friendship and expertise and his guidance in addressing issues with HVAC.

I will miss him.

Dee place your trust and your life in God's keeping and he will comfort you during this time. I wish I could be at the services today but I have been scheduled for training today for about 6 months and will not be able to be there. My thoughts will be with you and the kids and grandkids.

“ Dee,

Your and the family are in our prayers in the loss of Carl. My son, Michael, had told me that Carl had been in poor health.

Carl is the third friend I've lost in the last month that has been in the HVAC business. We tend to take so much for granted and the Lord has not promised us that we will live long healthy lives. I continue to struggle with my health as well and realize that God's timing is perfect and we have to rely on Him and the comfort he brings to us in these times.

Please know that you will be in our prayers.

“ my heart goes out to you Dee as you go through this time of sorrow. Carl was a very special guy and I really appreciate the short time that I got to know him. He was a lot of fun even though the situation was not so fun. I always looked forward to his stories each and every time i saw him.

My prayers go out to you and your family. I know that you and your children will hold each other up during your time of grief.
