“ I met Carla when she and Mark began dating.
It wasn't long that the Missouri girl turned Arkie & she became part of the family.
She was a vivacious, energetic, fun loving and loyal friend to our entire family over the years.
Many gallons of coffee have been drank at her table and the meals Carla cooked while offering laughter and kindness to friends, family and passer-byes did not go unnoticed or unappreciated.
She provided solace and friendship for my daughter Kristen in years gone by and has supported Rebekah and family since then.
Her laughter, buoyant spirit and feisty nature will be missed.

Love you Carla.... see you in the Morning...

“ *Carla was one in a million. Truly. As a kid, I think I took her for granted and, of course, I wish I hadn't of now. I know I was just the bratty neighbor kid, but Carla always made me feel cared about. She made me laugh and I can hear her laugh in my memory now. I loved visiting the Easley house and feel blessed to have spent time with Carla when I was growing up. The last time I saw her was years ago, but she lit up with a big smile and laughed and told me how beautiful my babies were. I wish I could've told her how much she meant to me when I was younger. How her honesty with me helped me become the straightforward person I am now. I miss you, Carla and I am glad you are at peace and no longer suffering illness. Thank you for being in my life. I would like to send love to the Easley family. I think of you all often, and pray for your comfort during this time.*
