“ *Too many memories to share. So I'll share this, I'll always remember Carol(mom) as always being there when I needed to talk, regardless of how busy she may have been, or how tired she was. Her and Don(dad) took me under their wings, welcomed me into their home with love and acceptance for who I was, baggage and all. They both gave me amazing advice, and had a tremendous impact on my life. So, as I told her in November, Thank You Mom!!!! Go rest and fly high! I love you all Dad, Bub, Jackie Ray, and Sissy! I am sorry for your loss just isn't adequate to describe what I feel, there are no words to offer, but I offer you my prayers for peace of mind, and healing.*
