“Sweet, kind and caring”....the absolute best words to describe our friend. For over fifty years I've had the privilege of knowing Carol. Since 1974, the beginning of my employment at Gravette Medical Center Hospital, until the last time I saw her at our monthly GMCH Old Timers gathering, she never failed to be a “sweet, kind and caring” soul. We'll miss her....and remember our world was better place with her in it.
