“ I am so terribly sorry to know of Carolyn's passing. I always remember her coming in and checking on us teenagers with a cocked eye expression, knowing we were just up to something, and her wacky sense of humour. I never did know why her crazy dog loved to eat that metal tape measure. She was a lovely person and will be missed.

“Carolyn was like a second Mom to me. She and Steve always welcomed me to their home and made me feel part of the family. Their home was always filled with love, laughter, and sharing. The best Christmas I ever had was spent at their home, in my PJ's, enjoying the warmth and love of the Dulaney family. May you rest in peace, Carolyn. And though I will miss you very much, I will always have the fond memories of our time together.
