“Joyce and family, we're so sorry for your temporary loss. Praise God, loved ones who die in Christ are never completely lost to us. We have the assurance we will see them again. Knowing this I pray will give you peace of mind in the days ahead, and that God will draw you close and comfort you all. Sending our love, hugs and prayers.

“I am so sorry for your loss. I loved seeing the pictures on the tribute wall. She was my Daddy's little sister. I know he loved her dearly and I wish we would have had an opportunity to be closer. Your family is in my prayers for peace and grace through a really difficult time. Diana Provost Haxel

“Dearest Cousins, I was so saddened to hear of the loss of your mother. It made me think of my own mother, Velma, and then my heart was lightened knowing that Carrie has gone HOME and is perfect now. My love to all of you. Karen

“ From the first time she met me in 1982, she treated me like family. I got yelled at, smacked, called on the carpet, treated with respect , kindness and undying love just like her real kids. I got hugged, kissed, and praised like everyone else. My other mother, Ms. Carrie, I will miss you terribly but I will love you to the moon the stars and heaven and back forever and a day.
