

Carrie Rose Griffith

December 31, 1958 - May 28, 2026

Carrie Rose Griffith, 67, of Watts, Oklahoma, passed away Thursday, May 28, 2026, at Baptist Health Medical Center in Little Rock, Arkansas. Born on December 31, 1958, in Siloam Springs, Arkansas, Carrie was the daughter of Grover Myers and Melba Bradway Myers. She married Charles Ray Griffith, on December 24, 1985, and together they shared 40 years of marriage. In her early years, Carrie was a proud member of the Siloam Springs High School Marching Band and worked nights at Pizza Hut. Carrie dedicated her professional life to serving others through both education and law. She began practicing law in 1992, alongside teaching special education at Siloam Springs School District, before her retirement in 2017. Carrie then resumed her law practice at Elrod Law Firm in Siloam Springs, Arkansas. Beyond her career, Carrie was known for her love of animals, especially her dogs, who brought joy and companionship throughout her life. Mrs. Griffith's quirkiness will be missed by all who knew her. She was preceded in death by both of her parents; her sister, Jackie Carlile.

Carrie is survived by her daughter, Cassandra Nelson-Griffith (Brian) of Avon Park, Florida; her grandson, Eric Nelson of Avon Park, Florida; her brother, Steven Myers (Joan) of Siloam Springs, Arkansas; her niece, Sandra Krebs (Anthony) of Manhattan, Kansas; two nephews, John Myers of Centerville, Virginia, and Sean Myers of Siloam Springs, Arkansas; two great nieces, Naomi Krebs Fields, and Meghan Krebs, both of Manhattan, Kansas; her forever companions, Boomer and Bella.

A visitation is scheduled for 1:00 p.m., Friday, June 5, 2026, at Wasson Funeral Home. A funeral service is scheduled for 2:00 p.m., Friday, June 5, 2026, at Wasson Funeral Home officiated by Stephen Thomas.

“ *I remember when we went to Tulsa when you were my attorney and went to eat at Chili's. I still remember what I ate, trout. It was an enjoyable day. You will never be forgotten because my memory of you was in 1988. I am 74 now. RIP*

“ Before Mrs. Griffith's law career; she was teaching high school mathematics for a brief period at Watts High School. She was my higher math teacher. Her patience for me gave me a lifelong love of mathematics. I have a B.S. in computer science and my own successful career because of her influence and passion for the Watts kids. Her memory will always be with me. Well done good and faithful servant.
