ME

“ Please allow me to offer my condolences to the, Jenks family with these comforting words: The prophetic vision of Revelation 21:1-4 points to the time of “a new heaven” and “a new earth” and gives the promise that then “death will be no more, neither will mourning nor outcry nor pain be anymore.” Since this promise is given, not to spirit creatures, but specifically to “mankind,” it gives assurance that a new earthly society of humankind living under the “new heaven” will experience restoration of mind and body to fullness of health and everlasting life as earthly “children of God.” This is the hope for, Mrs. Jenks, as well. I am very sorry for your loss. May God's Word comfort you and your family. Sincerely, Meryl ~ healingwordsforu@gmail.com. For more information about God's Kingdom promises, please visit jw.org.

“ To the family of Carrie, Growing up Carrie was a very familiar face always had a smile. I've known her almost my whole life and I cant remember ever seeing her angry. Always welcomed me and my sister into her home just like part of the family. Having spent many nights with her children as we were kids she was always the same every single time just full of smiles and loving everyone. You will be sorely missed by all who knew and loved you Carrie Jenks
