“ Joey and family,
I'm so sorry to hear about your loss. It seems that a child should not be taken from their parents, my prayers are with you. I pray that God will give you the strength in your time of need and help you through this. Remember God does not give us more than we can handle. I believe this, God knows we are strong.

“ I never knew Casey, but I heard sooo many wonderful things about her. My grandmother had told me about how much Casey wanted to come and visit, but never got the chance. So, for my family, I want you to know that I am here for you, praying for you to have the strength in the days to come. I love you all, and hope you will gain the strength to continue life. Life will never be the same again, but just think: Casey is in a better place, and when we die and go to Heaven, we will see her again.

Love always,
