“ Kristen, I just want to express how sorry I am for your loss. I too lost a baby this year. My son was born into Heaven on June 6. I want you to know that you are not alone and that there are people out there that care and understand! I pray that you can feel the soft touch of our Lord during this time. I will be praying for you in the months to come! May we each find comfort in knowing we have two perfect Angels watching over us!!

“ Dear Kristen and family,

Just as Christ took infants on His lap to speak of the innocent, pure faith necessary for the Kingdom, our loving Lord holds your sweet baby Caylee close to His heart.

Know that my love and prayers go out to you. If I can assist you down the road, please don't hesitate to call. May God give you peace at this difficult time.
