“ My name is Katheryn (Thurman) Thompson and my memory is that my father Clint Arthur Thurman thought the world of his first cousin " Nane " Thurman The love goes back when Nane would stop on his way to town and ask my Dad if he wanted to go also. Nane had a way of being kind & compassionate without making my father feel needy. (example : Levi blue jeans that he couldn't wear that just happened to fit my Dad) Nane came to visit my Dad when his life was coming to the end. My thoughts & prayers are with The Thurman Family. God Bless & Comfort Each Member.

“ *I will miss listening to all Pappy's stories always filled with laughter and the mention of "skinny dippin". He could always bring a smile to anyone. Take comfort in knowing he is where he was ready to be, with Granny. He always told me how much he missed her. My prayers are with you all. I'm sure going to miss you Pappy.*

I have known Cecil since I was a very small boy. He used to buy cow's for my grandpa, then grandpa would drive down from Iowa to look at them. I would usually go back to Iowa with my grandpa and the next day or two Cecil would show up with all the cows and we would get to start milking. He had to back in the ditch at grandpa's cause there was no loading chute and then we would herd them into the pasture. I also visited with Cecil many times and we had many very good talk's..I learned alot about my grandpa and my mom that I didn't know. He was always such a pleasant man to sit down with and just shoot the breeze. I will miss not being able to do that.
