“ My heart is downcast with the news of Cecilia's passing. I did not know her but I have known her parents and grandparents, Kris and Don. I thank God that she knew Him and is being cared for with His tender hands. How pleased He is with the life the her parents gave her here on earth. Praying for all of the family as they travel this journey of loss.

“ Fearless is the word that comes to mind when I think of Cecilia. She always amazed me with her adventuresome spirit. She did things many people with sight may not attempt...climbing pine trees 2 stories high and running on a suspended balance beam at Ada Park, riding the zipline and begging me to let her DRIVE the go cart at Craig's Cruisers! Riding rollercoasters at Sliver Dollar City. Lack of sight didn't limit her.

I will also forever cherish hearing her play the piano and sing about Jesus at her cousin's graduation party last summer.

She loved our dog, Riley. She made sure to spend some quality time with him during her visits at our home, and made sure he had everything he needed when we stopped at her house to visit.

As I recall these memories, I am reminded that God, in His providence, perfectly matched Angie and Steve with Cecilia to be her parents.

“ Cecilia was my camper at New Life Ranch. She had so much joy and boldness in her heart. I loved watching her grow and mature in conversations and adventures. One of my favorite memories with her is when she led our cabin of girls on our treacherous nature hike in the heat of the summer. She led with encouragement and bravery while making us laugh! She was a light and so special to my Co-counselor Reagan and I. Praying for the Rogers family!

“ *My three older kids remember Cecelia fondly. Especially Penelope always looked forward to chatting and hanging out with her in the basement of FHBC. She had a spunky unique personality that lit up the room and was very personable and friendly. I am glad to have known her, I am praying for you all. This news is just heartbreaking.*
