“ *I do want to send my deepest condolences to the family of Chad. It's heart breaking to hear of his passing. I met him years back thru his cousin, Michael Stacy. He was a very kind man, always, very polite, soft spoken...even on his sickest days, still that gentlemen...he just always made it a point to speak to me when he came around. He will definitely be missed, and always cherished. RIP Chad Goates...*
