“ *Hello Sis and family - My thoughts and prayers have especially been with you the past few months. Charolette, you have valiantly stood by Charles' side. I am proud of you for being so brave. I cherish the times we have spent together and cherish the memories from last fall when Don and Peggy took us all to the coast. I look forward to the day when there will be no more pain and sorrow and death - it surely won't be long. I am anxious to spend some time with you, my dear sister. Love, Lil' sis*

“ *My thoughts and prayers are with you all. Charles was always joking and laughing whenever I saw him. During the three years that I worked with Charolette at Siloam Hospital, I came to think of both Charles and her as good friends. God be with you.*
