“ To the Harrington family: I only had the pleasure of meeting Charles on one occasion. It was at the airport and he and his wife were flying out. Phillip made it a point to bring them in the COMM Center to introduce me to them. Thank you, Phillip. I know the pain all of you feel is great. Please take solace in knowing that Charles is in a much better place. I know he is in heaven and we will be reunited some day.

God Bless you and your family!
