“ To Pam and Stacie,

We have lost our parents way to early in life. I always enjoyed visiting with your mother in the lunch room in High School. The 2 people that bring back the fondest memories of my school days are Betty Harrington and your mother. If you always gave Charlotte the puppy dog eyes, she would always give you more tater tots! She will be sorely missed, and you will be in my thoughts and prayers!

“ To my favorite nieces and their families. I am so thankful for the visit Clint and I had with Charlotte a while back. She knew I was having a rough time, but she didn't know what strength and inspiration she gave me when she told me that what God wanted for her was what she wanted. Nothing more, nothing less. A lot of us say that but really want God to want us to have what we want. There is no doubt that Charlotte meant exactly what she said. I love you all more than you know.

“ We can not begin to imagine what you're feeling, only know that we are so deeply sadend to know of her passing. It was our gift to have known her. Your mom was an amazing lady who always had a smile and kind word. It was very apparent she was so proud of her wonderful girls and truely beemed when it came to her grandsons. She is in a great place now with the Lord. We love you and are blessed to have known your mom.

“ I don't think I ever knew Ms. Charlotte without a smile on her face or a "hello" from her mouth. She was a wonderful lady who gave much while asking for little. She will be missed by many. Our family's thoughts and prayers are with each you. May God bless you with comfort during this time of loss.

“ How does a person say words that will make this time in your lives any easier. We have lost a dear friend, but you have lost a mother. Time will make it easier, but you both will always have the memories you shared with this wonderful person. They will hit you at any time or place but you at least have them to share with each other and the family. The boys have lost a very special person who has been a stay in their lives, keep her there for them. Grandmothers enjoy this time of life because the kids can be spoiled but then they go home to the parent to deal with. I have been honored to know your family for a very long time, thru your parents and you girls with our two children. If ever we can do anything for any of you, we are just a call away. God be with you all.

“ Charlotte.....always smiling. That sums up this sweet lady, my cousin. A few falls ago I ran across her at the local Subway. She was on her way to a ballgame to watch a grandchild, which seemed to be her favorite activity. She cared for her family & they cared for her. And she was loved. What more can one wish? God with God, Charlotte, & may He comfort each one of your dear family, especially your mom "Betty Clark".

“ Words cannot express the loss we feel. Char was more than a Aunt to me. Her and Uncle Jerry helped raise me and my brother Ryan the majority of our lives and was always there when we needed love and support. For those who knew Char know how special she truly was. One could search this entire world and not find another person like her. I will never forget her little saying "the special little things". I know she is now with our Lord, her Father and Uncle Jerry. She will forever be missed but never forgotten.
Love Eric.

“ Betty, Pam, Stacie, Caroline, Roger and families:

Everyone of us who knew Charlotte loved her. Her classmates have wonderful memories of the fun and crazy times we had together. Even though I rarely saw Charlotte after high school, I always felt like we just took up where we left off as though it were yesterday when we last spoke. She had a million dollar smile and a beautiful spirit. I hope it will ease the burder of your loss to know that we all share it with you. You are in my prayers.

“ Dear Family,

Ms. Charlotte was a dear soul. I always felt better any time I talked with her because she had a gift of happiness that was contagious.

She will be missed by all those lives she came in contact with.

Our prayer is that Jesus will give you His peace and comfort in this time of brief separation.

I say brief because the longest earthly life pales in length compared to time spent in eternity with loved ones.

“ One of my favorite people! Ms. Charlotte always had a smile on her face and seemed like she was always happy to see you! I would walk out of the Primary school each afternoon last year and say "hi" as she was waiting to pick up Austin. She will be missed.

“ We would like to express our heart felt sympathy to the family of Charlotte. When our parents, Andy & Lucy Newbill moved from Boulder, Colorado in 1972 to Highfill, Charlottee & Jerry adopted them and made them feel like family as well as immediate community members. We were always so grateful that the "folks" had friends and family like the Harwell's. To Charlotte's family, may God grant you peace as you mourn the loss of a special gal.

“ Charlotte touched so many lives around her. She took in all the ballgames and treated each boy as if she was there grandmother too....I am so grateful to have known such a sweet wonderful lady. She will be so missed in the community. There weren't too many games that Ms. Charlotte missed going to as she lived to watch her grandsons play ball. Our thoughts and prayers are with the family at this time.

“ Words can never convey the depth of a friendship that spans from your early childhood and all through out the years.

Charlotte Holland Harwell was one of the truest friends I ever had. She gave so much more of herself than most even understands about being a friend.

I'll miss your smiling caring face my friend, but I know we'll meet again someday.
