“ My husband, David, son Anthony Watkins and I remember meeting Chester Talley several years ago! Chester Talley was an Amazing man and we came to know him and his family very well! I remember telling Chester that I was going to start calling him Grandpa Chester because he was just like a loving Grandfather would be and he told me that would be just fine because so many people who loved Chester called him Grandpa! Chester will be missed by many but I know we will see him again one day in Heaven! To the family and many friends of Chester Talley, you all are in our thoughts and prayers! God Bless you all!
