“ *Chris was more than my favorite cousin, he was my big brother. He always said that my mom, Sue, was his second mom. We were very close and told each other everything. We were always connected. We never lived close to each other but we talked often. He was always so kind and loving. No matter what was going on he would always remember me on my birthday and Christmas. I still remember playing hide and go seek when I was 4 and he was 9 years old, along with riding his horse and his poor big dog. He was very special too me! I Loved him greatly and will forever miss him. He was my Cousin, my Big Brother, my Chris. I wish I could be there in person, but I am in my thoughts, spirit, and heart. All my love to the family,
Melody*
