“ I'm Chris's Aunt Donna. I was married to his birth Mother's brother. My most special memory was making Christmas cookies with Chris !! He had so much fun. We gave Chris a wonderful Christmas and I was so happy to have spent the most special time of the year with him. I love you Christopher. R.I.P My sweet Angel 🥹

“ I remember when Chris was a baby, we (his birth Mom, Aunt Donna and I) had taken him to Children's Hospital in Little Rock for a doctor's appointment. After the appointment we took him for his first trip to the Little Rock Zoo. He was such a sweet baby and became a awesome young man as well. He was so loved by his extended birth family as well as the family who chose him to be their son and raised him to become that awesome young man. My heartfelt prayers are with each and every one of you during this tragic time. May God give you peace and comfort as you face each day.
With love in Christ,
Tammy Hartman
