“ *I stay across the street from Chris. I will miss seeing him come and go on his motorcycle and exchange pleasantries when cutting our grasses for the last time before winter sets him. May he rest in peace. Sad to hear of his passing.

“ I had the pleasure of working with Chris at Tucker Rocky over the course of 18 years. We worked in the same department and were even in a Tucker Fantasy Football league together. Chris was always in a good mood at work and carried a positive attitude. I think what I'll miss the most is his crazy Halloween costumes. He never missed a year to dress up and compete, many times, winning first place.

Rest in peace Chris. You'll be missed by many.

“ I was saddened to hear about the loss of Chris. Thinking of you and wishing you moments of peace as you remember Chris and reflect on memories. He and I dated many years ago, we just wanted different things in life and went our separate ways. We knew each other through Prestonwood Baptist Church. I have since moved to Michigan. Even though we stopped keeping in touch, I always seemed to remember him on his birthday.

I first met Chris 36 years ago. He was finishing his education at Devry when he started working at Ed Tucker Distributing. We worked together 15 years. He was a friend to everyone. I knew him to be a man of integrity. Years later we reconnected at Prestonwood Baptist. David and I served in choir and he was in orchestra. On my phone I still have a 9-1-1 prayer request text for one of his friends. We will reconnect again one of these days.
