“ We will miss Clara. Always gave us a hug when we saw her. She enjoyed her beer and liked going with us to the casino. When playing LRC or Horserace she always wanted to win! She was a sweet lady! So glad we got to know her better over the last few years. We miss you Clara,

“ To Clara's immediate family I just want to say my thoughts are with you all as I share in your sadness of this loss. Clara was a member of the Corners family for many years and I have many good memories of her. I was only a kid when she became part of the family and one of my first memories is of her playing paper dolls with me when she and Lyle came for a visit. In those early years there were many family visits and get-to-gathers which included Clara and Lyle. Mom and I even went with them on a trip to New Mexico in their Edsel once to visit our sister. I enjoyed those times and talks with Clara through the years. Good memories!

“ Our sincere condolences to all that have been impacted by the loss of Clara. Clara and Lyle were extremely close friends of my mother and father for well over 50 years. We enjoyed Clara’s company a few years back and will cherish the time we had to spend with her over the years. She loved to gamble and loved having time to spend with my mother and father doing just that! We’re going to miss you Clara. May you Rest In Peace!
