“ To The Family of Ms Clara,
I've known Ms Clara my whole life. She was without a doubt the sweetest lady I've ever had the pleasure to know. Even though I haven't been around her much in these later years. I knew her well from Tom's. As a kid I remember setting on the porch at Tom's eating Ice Cream and she would always come out side and have something nice to say. I know you must feel richly blessed to be related to such a fine lady. No Doubt she is resting with the Lord now still this is a sad day for her family and the town of Colcord.

“ All i can say that hasn't been said already is that this town has lost a wonderful/beautiful legend and Colcord will never be the same without Grandma Owens here with her smile and the love she gave to everyone she came across. We will miss her so much and i am looking forward to the day we can all be together again.

“ Our thoughts and prayers are with the family during this time of great sorrow. May God bless you with the strength you need to get through this difficult time. Clara taught my dad Loyd "Satch" Brazil at Row. My dad would tell us about the practical jokes that he and his friend would play on Clara when he was going to school there. She will be truly missed!
Our sincere sympathy, the Littlefields.

“ There are no words to express my sadness at Clara's passing but I do know that she is in a better place. I have so many childhood memories that involve both her and my grandma. I was always amazed that each could take a catnap and still hold a conversation while making those satin pillows. Clara was such an important part in my grandma's life. I can remember birthdays and holidays that Clara was as much a part of the family as anyone. You will all be in my thoughts and prayers.

“ Hi Kenny and Burney, I was so sorry to hear about your mother passing away, but oh, what a long life she lived. I remember when I was little we had went to you house to visit one evening and you all had some little chickens, and there was a special little black baby chic that I just fell in love with, and your mother gave it to me. I was so excited about that little chicken, not to mention that I also had a little puppy at that time and the next morning I was up bright and early playing with my little chicken and my puppy caught it and had it in its mouth and killed it. I was so sad and so I burried that special little chicken out in the corner of our garden and put a cross by it. I will never forget your mother being so kind and a loving person. I hold all of those memories close to my heart and I think of them often. May God Bless you both and keep you both in his care. A loving Friend, Bonnie

“ Hi Kenny & Burney & Families,
I am so sorry to hear of Clara's death. She was definitely a special lady. I have always felt close to your family. We were linked by both Tom and Doll and Hawk & Gethel. It's hard to believe they are all gone, and now Clara.
I'll be thinking of all of you and praying for you.
