“ About 6 years ago or so, Meredith and I done a lot of walking around clifty. He joined us one day and it was cloudy. We all thought we'd be ok. Before we could get back to the store, it came a flood. We were able to call Kay at the store to rescue us. We were all soaked. Clarence took it all in stride. We all were laughing about it. Funny thing was he kept up with us the whole way, if not outdoing us at times. We went almost 3 miles. Rip.
