“ Ten tiny fingers, ten tiny toes, and a cute little button of a nose. Clay Alexander came our way, but God said I need you so he could not stay. You held him briefly and your love he knew then his little spirit took off and flew. He will be waiting in heaven to see you again and then the joyous reunion will begin. Jake and Tanna time to mourn for this little soul together. Know that God has a bigger plan . Let the love from others help fill you both with a little peace. We love you. All the McDaniel's
