“ Clay was such a nice guy and he will be missed! There are no words to fill the void his family must be feeling. God has taken him into His arms and said "Good job and welcome home". I will always remember that he was willing to help me hand out those frozen turkeys and hams when we both worked for Peterson. We share many stories about kids as well as many laughs. God Bless.

*I'm so sorry for you loss. I know you are a very strong person, even though I know you feel this is more than you can handle but remember God will not put more on you than you can handle. I know that it doesnt take away the pain you are feeling, You need to remember all the precious time that you both shared together and with the kids. I will always be a phone call away or a facebook. I love you and will remember you and your family in our prayers and will try to be up there. love vanessa*
