“ Dorothy,
I am so sorry to hear about Clyde. My sister Jennie and Normona were in school together. Then we all went to church together. When I (Sandy) worked at the bank in Gentry, I'd see Clyde when he'd come in. He was such a sweet man. Every time I saw him there was a smile on his face! I'm sure that he will be missed by many. I'm sure that we will see him again someday in heaven and then there will be that smile again!!
Take care and God bless you and your family.

“ I never really got to know Clyde until a few years ago a group of our church members went to Y mountain down by Little Rock and built a church in 2 1/2 days. I worked with Clyde & talked to him quite a lot. He was 1 of the most respected men there and he earned my total respect & admiration by his knowledge & friendship to every one there. He truly was a great man in my eyes. Since that time ive sat in Sunday School class with him and he has made some very profound statements that have had an effect on my life. He will be missed greatly but I know he is in a far greater place than Gentry Ark 1st Baptist Church. My sympathy goes out to his family & many friends & my prayers are with Dorothy and all the family
