“ I just want everybody to know that reads or even maybe writes something that baby Cody might have only been 23 days old but he touch so many people everybody that he came in contact with and even those he didn't. He had heart problems but he had the biggest heart of anybody I know! He had every right to be an unhappy baby! But he was the happiest sweetest baby! He hardly ever cried and always had a smile for everybody! Cody I want to thank u for letting me and your dad be apart of your life! We r very proud to be ur parents! Mommy and daddy love u to the moon and back! U will always be our baby boy
