“ My favorite memory of Colene was always on her birthday, the past 10 years. December 5, 2023, when she turned 91, her last birthday; I was sick with sore throat and cold and couldn't go see her. Yet I will remember all the ones when we were together. Love her so much and know I'll see her again in heaven. Suzie her early caregiver through Visiting Angels, 2014 - 2018
