“*Saying goodbye to someone we love is heartbreaking. We will miss her beautiful smile. Please draw comfort in knowing that someone so special will never be forgotten. Peace I leave with you; my peace I give you. I do not give to you as the world gives. Do not let your hearts be troubled and do not be afraid. (John 14.27)*

“ *I will truly miss Connie and singing to her at work. I knew she would just giggle every time I would sing:
connie connie bo-bonnie
bananna-fana fo bonnie
Mee Mi Mo Monnie Connie*

She would have this huge smile on her face and say Good morning Renae. Connie gave great wisdom when my son was diagnosed with Cancer and she always asked how he was doing. Her and my son had a special bond between each other. I will truly truly miss this wonderful lady!

“*Connie was the kindest, sweetest lady that i have ever met. She was the first person you seen whenever you walked through the door at Simmons Corporate Office and always made you feel so welcoming with her bright smile and loving personality no matter what kind of day she was having. Prayers for her loving husband, Dick. They were both like teenagers, inseparable. I remember him always sending Connie flowers, seeing them both together no matter where you went, they were always both together. My heart aches to know she has passed, she will be missed and the front desk will never be the same without her. Heaven has gained a very special angel. Prayers for the entire family. She will be deeply missed.*

“ I was extremely saddened to learn of Connie's death. I worked for Simmons for almost 9 years and Connie had an "unusual characteristic" every single day that I saw her - she was "unusually KIND". I've never met a kinder person. I've never met a more cheerful person. May she Rest In Peace while also dancing on streets paved with gold.

I have lost one of my best friends! She was always there with a laugh or smile. When I was upset she would always give me good advice and a shoulder to cry on. God bless her family and may they feel God's loving arms around them. Heaven has gained a wonderful lady. I will always treasure our friendship.
