“ Please allow me to offer my condolences to the, Threlkeld family with these healing words: *IT IS* painful to watch a loved one suffer and die. We naturally grieve such a loss. It is comforting to know, however, that our Creator understands our grief. More than that, he longs to use his almighty power to restore life to the dead. Notice the hope conveyed in the words of Job, recorded at Job 14:13-15. I am very sorry for your loss. May God's Word comfort you and your family. Sincerely, Meryl ~ healingwordsforu@gmail.com.
