“ Although I did not know this lady, I do know she was the most exceptional mother and grandmother as witnessed by her daughter, Judy, and little Emerson. They love her dearly and that speaks more as to the riches of her life than any memorial you could purchase. Blessings on your journey, dear lady, and sincere sympathy and love to Judy and her family. May her love forever remain in your hearts. Metta Holman & Family

“ Oh, what a wonderful lady. This person meant the world to me. I have spent many a night in her house and was blessed to know her. Her birthday and my mother's birthday was the same day. And when I lost my mother this dear saint was there anytime I called and needed to talk. Judy, Mike and family she was a grand lady and will be greatly missed. May God be close to your side and give you strength during this time.
