“ I don't know where to begin. Craig was such a wonderful man and I am so glad that I got to know him. He took care of me at work, looked made sure I had plenty of coconut cream pie from the Wooden Spoon, he always made me laugh and its because of him that I looked forward to going to Sun Valley Mechanical everyday. I will truly miss his positive attitude and his infectious laugh. My heart goes out to his family and friends who lost such a loving and caring man far to soon.

“ Dear Sharon and family, Craig was an insperation to us all! When things seemed impossible to handle he would always say "it'll be alright." I know for a fact I wouldn't have been able to cope with the pressure of last year without him! We will always remember his jolly laugh and carefree outlook on life! We consider you and yours very dear friends. We pray that God might be a strangth and a comfort during this time. We love you, Mike and Brenda Coones.
