“ I love you very much and I am going to miss you forever. You always gave everything you had to anyone who needed it. You have so many friends that you probably didn't even know you had. **YOU WILL BE MISSED!** Especially by me but I know the Lord is taking good care of you.

“ I can remember many wonderful times with Cindy. The one that sticks out most in my mind is the trip that Cindy, Naomi, TJ, Crystal, Courtney and I took to Cancun, Mexico. I think every excursion we went on Cindy got chose to participate. I remember getting a good laugh at watching her. She was always a good sport and we had a wonderful time together. I am really going to miss her. She had a heart of gold and always had a smile on her face. No matter how hard times were for her she always came out with a positive attitude. When we would have family gatherings she always made sure to give me a hug and a peck on the cheek before she would leave. I love you, Cindy and you will be truly missed by us all.

Crystal, Samantha, Meagan and CJ, you know that I love you all very much and my heart aches for you. Know that I am here if you need me for anything.

*Love,
Aunt Diann*

“ I have come to understand that the saying of goodbye does not end until at the last, when we are able to say hello again”

"When you are sorrowful, look again in your heart, and you shall see that, in truth, you are weeping for that which has been your delight"

I dont know what to say. I know it's hard to lose someone you love, much less a family member. If you ever need anything, please let us know. Cindy was so much fun to be around. It didn't matter what was going on around her that wasn't going right, she was always laughing or smiling. she was just a great person, and she will be very missed by everyone.

“ I Always knew looking back on the tears would make me laugh, But I never knew looking back on the laughs would make me cry. Love you always I will so much miss talking to you and you talking to me all the advice that neither one of us acted on but always thought about and appreciated and listened to, I will never know another person with a heart like yours and I miss you so much love you always and will be looking forward to seeing you again when It's my time to go to heaven

“ God looked around His garden and found an empty place. He then looked down upon this earth and saw your loving face. He put his arms around you and lifted you to rest.

His garden must be beautiful; he always takes the best. He knew that you were suffering; He knew you were in pain. And He knew that you would never get well on earth again.

He saw your path was difficult; he closed your tired eyes. He whispered to you "PEACE BE THINE" and gave you wings to fly. When we saw you sleeping so calm and free of pain, we would not wish you back to earth to suffer once again.

You've left us with precious memories, your love will be our guide. You live on through your family, you're always by our side. It broke our hearts to lose you but you did not go alone, For part of us went with you the day God called you home.
