“ *Ann, there just aren't good words to describe what I feel now. The long battle we expected didn't happen, the plans you had together will not come to pass. It hurts & it makes us all very sad. The hole that Dale leaves is very large & a gaping hole. He was professional, he was kind, he was so thoughtful of you and others, he was willing to help whoever needed help - from the dr, to nurse, to newest co-worker, to patients, to drug rep, to cleaning people! His fix-it skills were demanded by all & he responded. He is already missed and we hurt for you & your family. I can't even imagine your pain. It is a given that I am praying for you and love you.*

“ Dear Ann: I just wanted you to know that you are in my thoughts and prayers at this time. Dale will be missed greatly and nobody will ever be able to take his place. I remember Dale from when I was just a young girl and would see him at the medical center. He always had a kind word to say to everyone and a smile on his face. I pray that God will give you the strength you need at this moment! God Bless you!

“ We will certainly miss Dale. The last time he was in the store I got to visit with him, and even in the midst of his cancer his was so upbeat and positive. I only wish we could all have that attitude all the time. I am truly blessed getting to know him. I am praying for Ann and the family. Love,

“ *Dear Ann,*

*I know you are heartbroken at the loss of your wonderful husband. There are no words to adequately express my sympathy for the devastation and profound loss you are feeling. You and Dale were closer than any married couple that I have known. I can only hope that your years of happiness and your many good memories will enable you to live with this very sad loss. I love you dearly.*

“ *Whether I was visiting the clinic as a patient or chatting with mom, I could count on Dale to bring a smile to my face. He was a kind xray tech (I think over the years he took pictures of my arm, knees, foot, spine and lungs). He was also happy to help when I applied to xray school.  
Ann, you and Dale will always have a special place in my heart. Val*

“ Ann,  
I was sick to hear from Melissa at the clinic yesterday. The last time I worked Siloam before I went on maternity leave I saw Dale in the hall and his spirits were high. I was so glad to see him working part time again. It just won't be the same not to see Dale at the clinic each week when I come by to check samples.  
Your in my thoughts and prayers during this difficult time.
